She's not your mother you know?
Mum, let's take this one!
This chicken nabe looks good.

This is the refrigerated area
Well, it is cold in here.
I'm just tall.
You're so sensitive to cold when you're this big.

What's wrong, Kon-chan?
It's cold.

Maybe they went shoppin today too..
Back In Akita I would meet an acquain-tance all the time.
But in Tokyo I don't know a single person...
Ah! But Onii-chan might be here!
We could even meet each other right now...
These onions are pretty cheap

Should I talk to him..?
Wh-what do I do...
Wh-what if he sees all the food I bought and thinks I'm some glutton!?
もりっ

Achoo!
I don't want him to think I'm some weirdo that only thinks about rice...
He already heard me talk about rice polishing the other day...
